

Trainer Profile

Gino Chong

**Certified
Professional
Trainer**

Gino Chong is a **Certified Professional Trainer** (IPMA, UK), a **Certified DISC Professional Facilitator** (iTOL, UK), and an **HRDC Accredited Trainer, Malaysia**. He specializes in training and coaching across key areas such as **Purpose-Driven Leadership, Effective Presentation Skills, Cross-Cultural Team Collaboration, Mental Toughness & Self-Resilience, and Managing Difficult Interactions**. His programs are designed to equip individuals and teams with the clarity, confidence, and emotional agility needed to thrive in today's dynamic work environments.

Gino Chong obtained his **Diploma in Hotel & Catering Management** in 2002 and began his career at **Prince Hotel Kuala Lumpur** as a waiter in a Japanese restaurant. In 2008, he transitioned into the **International Business Development** field with **Fraser & Neave (Malaya) Sdn. Bhd.**, focusing on beverage and dairy products for global markets. Over the years, he progressed from **Export Operation Executive** to **Senior Export Manager**, gaining extensive regional experience before stepping into his current role as a professional trainer.

Over the past 18 years, Gino Chong has **travelled to more than 38 countries** and delivered business presentations to **key account clients across over 100 countries**. In addition to his training work, he also **runs a frozen food export business**, allowing him to stay actively engaged in international trade. His global exposure brings **practical insights and innovative perspectives** into his training, making it highly relevant and impactful for today's fast-changing business environment.

Gino Chong's **training and consulting clientele** includes government agencies and some of the world's leading brands across industrial and retail sectors. His portfolio features organizations such as **DANONE, SHARP, MR. D.I.Y., Marine Department Malaysia, Bintulu Development Authority, Central Sugars Refinery (CSR), MAHSA University, and Open University Malaysia**, among others.

He believes in **"influencing life with life"**—empowering individuals to create their own **sustainable learning cycles** that lead to meaningful, lasting transformation from the inside out.
